

MORE ABOUT OUR TRAINING AND WORKSHOPS

Program Evaluation, Outcome-based Research and
Needs Assessment Services for Human Service Organizations

We've considered referring to our training sessions and workshops as the Practical Learning Institute because that's what they are...intensive, collaborative learning sessions designed to build stronger practitioners, helping organizations build their capacity to better meet client needs.

Single Session Workshops

Building your capacity to obtain and use quality information.

Length

One 2-hour session

Content

Basic information related to designing, implementing and evaluating human service programs. Small working groups are at the heart of these sessions. Topics

- An Overview of Outcome-based Measurement for Human Service Organizations
- The A, B, C's of Program Evaluation in Human Services (The Basics of Program Evaluation)

- The A, B, C's of Focus Groups for Human Service Organizations
- How to Design a Useful and Quality Questionnaire (and Data Collection Process)

The Practical Program Evaluation Series for Human Service Providers

Length

Six 2-hour sessions

New!

Content

Basic information on how to design and implement all phases of a meaningful program evaluation. These sessions are very hands-on, with only six participants accepted per series. Participants typically have a real evaluation need and require in-depth assistance. The setting is very collaborative and participants have a chance to share strengths and lessons with peers. Individualized follow-up sessions can be arranged as needed.

Customized Workshops & Training

Program & Organizational Assessment is very capable of customizing its training to match precisely the needs and interests of any organization or provider.

Experienced Trainer

Our lead trainer has 20 years experience conducting training sessions and presenting workshops in a variety of human service settings.
